DaVinci Resolve Pro Color Grading Tools are designed to work in conjunction with the DaVinci Resolve Studio Color Grading application for colour grading. Using the absolute best instrument range for grading to date, dresolve delivers a solid foundation for a wide range of post-production tasks. There are 142 powerful tools in the application for every stage of a project's colour grading path. Track Color, Track Balance, Track Lookup, Track Rebalance, Track Mask are all included in the application. The tools are designed to work intuitively with the improved UI to navigate the range of features while still staying organized and easy to use. Track Rebalance allows you to view your colour grade before and after any changes and also allows you to track mask or mask adjust individual channels for additional creative control. When you’re completing a feature in DaVinci Resolve Studio, the timeline will often freeze. When that happens, you wont be able to edit. To avoid this, track a separate Cue point on the timeline, lock your timeline, then press the bar at the bottom of your timeline that says “Cue point”. Then select the Cue point that you want to manipulate and press the “play” button in the top right of the timeline. Also included is the infamous Hello World app that is essential to using the DaVinci Resolve Studio application. The update includes a new set of tutorial files as well as updated details on some of the new features like MultiWindow. F.Camera - S-Log/Super-Log 2.0, Blackmagic URSA - Blackmagic Resolve - 794 Defects - 95 DefectsThe F.Camera - S-Log 2.0 is able to capture incredible amounts of image information per frame and even the finest of those defects will, for the most part, be removed during the colour grading phase. http://www.hdrinsight.com/news/hdr-studio-pack-185http://www.hdrinsight.com/news/hdr-studio-pack-18http://www.hdrinsight.com/news/hdri-studio-pack-18http://www.hdrinsight.com/news/hdri-studio-pack-18http://www.hdrinsight.com/news/hdri-studio-pack-18http://www.hdrinsight.com/news/hdri-studio-pack-18http://www.hdrinsight.com/news/hdri-studio-pack-18http://www.hdrinsight.
